

Come and Join SoNeBuTu's Seed Circles!

The SolidariteitsNetwerk BuurtTuinen (Solidarity Network of Community Food Gardens) is organizing a series of Seed Circles as part of a commons project, Vrije Zaden.

Join us and become more intimate with seeds. Listen to their stories from seed guardians. Exchange seeds and knowledge with peers in a warm and friendly setting.

Each session we make a communal soup and salad. Feel free to add your harvest to the mix. At 6.30pm we eat and at 8pm we open the circle with a seed ceremony and a guest speaker.

The first seed circle will be opened by Nora Vargas, an Andean seed guardian living in Amsterdam.
